## ALEXANDRIA NEWS NOTES

### CASE OF DOUBLE SUICIDE.

ALEXANDRIA, Va., Oct. 23.—Further investigation into the death of the negro Grayson reveals the fact that he was a case of double suicide. A pistol wound was found in his head just above the left ear. It is thought that he stood upon a pile of hay in Barron's barn and after putting the rope around his neck fired a bullet into his brain and rolling off the hay was strangled to death. The funeral of Grayson will take place Sunday from his home on Seminary Hill.

### FUNERAL OF L. BLENDHEIM.

The funeral of Leopold Bendheim will take place from the residence of his son, Charles Bendheim, at 1209 King Street, on next Sunday at 2 o'clock in the afternoon.

### DEATH FROM GUNSHOT WOUND.

The coroner's jury which is investigating the death of the negro Charles Shirley, reconvened at Demaine's undertaking rooms this morning at 11 o'clock. The jury reached a verdict that Shirley came to his death from a gunshot wound received from a pistol in the hands of Enos Grayson. As Grayson has committed suicide this ends the investigation.

### DIED IN ELKS HALL.

The funeral of Champ Walker, who died suddenly at Elks Hall Wednesday night, will take place from his late home, 822 Duke Street, tomorrow afternoon, at 4 o'clock. The Alexandria Lodge, B. P. O. Elks, will attend the funeral services in a body.

### MAY BUILD FACTORY.

An industrial concern which is looking for a location for the manufacture of fly nets, collars, harness, leather hardware, etc., expects to establish a factory in this city, which would require one three-story brick house, one two-story brick house, and an equipment to consist of two sixty horsepower boilers, two fifty horsepower Putnam or other engine, one 500 arc lamp. The cost of erecting the building and equipment would be about \$30,000. The concern would want the free use of the property for a term of not less than ten years, with an option to purchase at a stated price at the end of the term. They will agree to invest not less than \$120,000, and to employ from 100 to 150 hands, at a rate from \$2.50 to \$18 per week.

### MRS. TARRANT DEAD.

Mrs. Alice M. Tarrant, wife of Lewis Tarrant, died at her home, 520 Queen Street, at an early hour this morning. She was in the fifty-second year of her age. Her remains will be sent to Culpeper tomorrow morning, for interment.

### GRANOLITHIC SIDEWALKS.

Alexandria has one whole square of granolithic and cement sidewalks now. The recently laid pavements in front of the stores of H. Friedlander, Robert Arnold, M. Hyman, Kaufmann Bros., and A. Katz were opened for travel this morning, thus completing the first entire square of these pavements in this city.

### PERSONALS.

The Ladies' Confederate Bazaar Association will meet tonight at Lee Camp Hall, Alexandria Division, Ancient Order of Hibernians, met in Odd Fellows Hall last night and initiated several candidates. The sermon at the services at the Presbyterian Church next Sunday will be preached by the Rev. J. M. Nourse. Mary Johnson, of this city, has as her guests Mrs. Marshall McCormick and daughter, of Berryville.

### PROSECUTOR EXCEPTS TO JUDGE'S RULING

Prosecuting Attorney Pugh took exception to a ruling of Judge Kimball in the District branch of the Police Court Wednesday afternoon and announced his intention of appealing the case to the Court of Appeals. The ruling in question was made in the case of Michael P. Callaghan, a dairyman, of Chevy Chase. An inspector of the Health Department testified that one of the defendant's drivers recently refused to sell him a sample of the milk he was hauling at the time, saying he had none for sale. The defense contended that the milk in the wagon was sour and that it was being collected to take out to Callaghan's farm for the hogs. When this testimony had been put in Judge Kimball ordered the jury to return a verdict of not guilty. It was to this ruling that the prosecuting attorney took exception, saying it would be possible for all dairymen to refuse to sell samples of milk to inspectors of the department and in that way successfully evade the law.

### NIGHT SCHOOL FOR GEORGETOWN.

The Georgetown Citizens' Association has requested the Commissioners to provide a public night school for that section of the city over which the association exercises jurisdiction. The Commissioners have the matter under consideration.

### DIGNOWITY HELD FOR ACTION OF GRAND JURY

E. K. Summerwell Also Remanded in Bail by Judge Scott.

James V. D. Dignowity and E. K. Summerwell, defendants in the criminal action brought by Clark & Co., were held in \$500 bail each by Judge Scott, in the Police Court, yesterday afternoon. The case is being prosecuted under section 840, of the District code, and is the first of its kind that the District courts have ever had. Dignowity, who was formerly vice president of the Mexican Mining and Exploration Company, is charged jointly with Summerwell with having taken a book from Clark & Co. with intent to injure that company. Judge Scott decided the case was one for investigation by a higher court. The defendants having previously been under \$500 bond, they simply renewed this and were discharged from custody.

### COMMISSIONERS ISSUE OFFICIAL LOCAL DATA

Appointments and Extension of Contracts Announced.

The Commissioners have appointed Robert B. Purcell chairman in the Engineer Department, for a probationary period of two months, at a compensation of \$2.25 per day; to take effect when he reports for duty.

Frank Stowell, Inspector, Water Department, has been directed to proceed from Radford, Va., to Burlington, N. J., upon the completion of his work as Inspector for the Water Department at the former place.

The Commissioners have issued the following orders, relative to extensions of contract:

That the time for the completion of contract 322, with M. J. Drummond & Co., for furnishing water pipe, be extended until November 30, without penalty or cost of inspection; delay not being due to negligence on part of contractor.

That the time for the completion of contract 323, with Dunigan Plumbing Company, for plumbing work in the Eaton School building, be extended until November 28, without penalty; delay not being due to fault of contractor.
